The date set under the original post onement was tomorrow but the rec flag will not now fly at the Capito eps and the realization of the cheme will still be a matter for the

further postponement of the sale, but it is surmised that the details have not yet been ascertained and that the ogar company is not prepared at

this time to bid on the matter.

No further word has been heard a to Link McCandless' connection with the affair although it was stated some time ago that he would in all proba bility be one of the bidders when the lease was finally put up. A clause calling on the successful bidder to dart work within a certain time an also to deposit a large sum as a guaantee of good faith would also make anyone doubtful of bidding on the proposition until he was in a positio o go ahead with it.
